### Chain Reaction Challenge Foundation Trustee's Report 30 June 2013

The directors of the Trustee of Chain Reaction Challenge Foundation ("the Foundation") present their report on the Foundation for the year 1 July 2012 to 30 June 2013 ("the year"). The Foundation is an Australian registered trust.

#### **Directors**

The following persons were directors of the Trustee Company during the whole of the financial year and up to the date of this report, unless otherwise indicated:

- Berrick Wilson
- Daryl Browning
- David Hinde
- Mark Ryan
- Michael Byrom
- John Ward

#### **Principal activities**

Chain Reaction is the Ultimate Corporate Bike Challenge that raises money for children in need by challenging senior executives who have a passion for cycling and an awareness of their corporate social responsibilities, to ride a 1,000 plus kilometre course in 7 days.

Chain Reaction is not a mass-participation event; instead it concentrates on selected individuals who want the physical challenge. In return, they benefit from valuable networking opportunities and the immense satisfaction of directly helping children in need.

#### **Dividends**

No dividends were paid as the Foundation is prohibited pursuant to its Constitution to distribute dividends.

#### **Review of operations**

Chain Reaction Challenge Foundation raised funds of \$2,464,868 from activities relating to three rides that took place in Victoria, Queensland and New South Wales in 2013. Expenses relating to these rides accounted for \$834,699 and distributions made to charities for the year ended June 2013 amounted to \$1,640,000.

#### Significant changes in the state of affairs

The 2013 financial year was a year of consolidation for Chain Reaction with the aim of further establishing the Chain Reaction brand in the NSW and Queensland business communities.

In a challenging economic climate Chain Reaction raised a total of \$2,446,121 from three rides thanks to the generous support of its corporate partners and personal donors. The Victorian ride raised \$950,988, the NSW ride raised \$731,942 and the Queensland ride raised \$763,191. These amazing results could not have been achieved without the hard work and persistence of our riders.

## **Trustee's Report (continued)**

Also during the 2013 financial year Chain Reaction recruited a Marketing Manager and an Events Manager. The recruitment of both these staff is aimed at helping Chain Reaction deliver higher quality events and provide increased exposure for its corporate partners whilst also providing it with a platform for future growth.

#### Matters subsequent to the end of the financial year

No matters or circumstances have arisen since 30 June 2013 that have significantly affected, or may significantly affect:

- (a) the Foundation's operations in future financial years, or
- (b) the results of those operations in future financial years, or
- (c) the Foundation's state of affairs in future financial years.

#### **Environmental regulation**

The Foundation is not subject to significant environmental regulations.

#### Indemnification and insurance of directors and auditors

Indemnity insurance was instigated by Chain Reaction Challenge Foundation in March 2013 to provide indemnity and insurance to directors of the Trustee.

# Chain Reaction Challenge Foundation Notes to the Financial Statements For the year ended 30 June 2013

#### 1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below.

#### (a) Basis of preparation

In the directors' opinion, the Foundation is not a reporting entity because there are no third party users dependent on general purpose financial reports.

This special purpose financial report that has been prepared to meet the requirements of the Trust Deed and distribute a financial report to the Trustee. The directors of the Trustee have determined that the accounting policies adopted are appropriate.

The entity has adopted the measurement requirements of Accounting Standards, Australian Interpretations, and other applicable Accounting Standards and Urgent Issues Group Interpretations. Disclosure requirements have not been adopted, with the exception of the following:

**AASB 101:** Presentation of Financial Statements

**AASB 107:** Cash Flow Statements

Historical cost convention

The financial statements have been prepared in accordance with the historical cost convention.

#### Critical accounting estimates

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Foundation's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2.

#### (b) Revenue recognition

Revenue is recognised for the major business activities as follows:

#### (i) Donations and Sponsorship

Donations and sponsorship income is recognised as income when received.

#### (ii) Interest income

Interest income is recognised on a time proportion basis using the effective interest method. When a receivable is impaired, the Foundation reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income. Interest income on impaired loans is recognised using the original effective interest rate.

#### (c) Income tax

The Foundation is a charitable fund and has received Australian Taxation Office endorsement for income tax exemption, and as such the income of the Foundation is not subject to income tax.

#### (d) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and deposits held at call with financial institutions.

#### (e) Goods and Services Tax (GST)

Items of revenue and expenses are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of the expense.

Cash flows are presented on a gross basis. In the future the Foundation may have GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority; these will be presented as an operating cash flow.

#### **2** Critical accounting estimates and judgements

In the current financial year, Chain Reaction Challenge Foundation has made no critical accounting estimates or judgements.

### Independent auditor's report to the unitholders of Chain Reaction Challenge Foundation

#### Report on the financial report

We have audited the accompanying financial report, being a special purpose financial report, of Chain Reaction Challenge Foundation (the Foundation), which comprises the statement of financial position as at 30 June 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the trustees' declaration.

#### Directors of the Trustee responsibility for the financial report

The directors of the Trustee are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial statements, which forms part of the financial report, is appropriate to meet the requirements of the trust deed dated 14 November 2007, the *VIC Fundraising Act 1998*, the *SA Collection for Charitable Purposes Act 1939*, the *QLD Collections Act 1966*, the *ACT Charitable Collections Act 2003* and is appropriate to meet the needs of the unitholders.

The directors of the Trustee responsibility also includes such internal control as the directors of the Trustee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors of the Foundation, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
